In addition to the chosen periodical renewal (refresh interval) it is always possible to refresh the data in between.  
 For example, during a period closure, it may be desirable not to have to wait until the next refresh moment.  
 For those situations you can purchase an extra credit, of which is automatically debited if you refresh the data from Twinfield to our servers.

Credit for additional, interim data renewals <i>Per renewal € 0.20 credit will be depreciated.</i>	p.m.
